1. Eligibility - This tournament is not a USATT-sanctioned event. No active USATT membership is required. Match results do not impact players' USATT ratings. Players can play any or all events if they meet rating requirements. USATT league ratings are used to determine eligibility and seeding. The cutoff date for rating eligibility is 9/20/2024. The latest rating suffices if the difference between one's tournament and league ratings is more than 250 points. The tournament organizer may assess and determine non-rated players' eligibility.

2. Format - The teams will be divided into several groups per their seeding and play a group RR first, followed by single elimination. Each group's top two finishing teams will play crossover single elimination to determine the final standings. For events with less than 8 entries, we will play only one group of RR. A maximum of 16 teams for each event will be accepted based on the first-come-first-serve rule.

3. Captain - Captains must use WeChat and join a WeChat group to communicate the tournament issues. Captains are responsible for completing the team roster, including the team name, players' names, USATT membership IDs, and ratings; pay entry fees. The registration will only be official after the entry fees are received by SWan club.

4. Equipment - Butterfly tables and Nittaku 3-star premium 40+ white balls will be used.

5. Punctuality - Players will be defaulted on their matches if they do not show up 10 minutes after the match starts.

6. Rules - USATT tournament rules apply. The tournament organizer reserves rights to make tournament related decisions.
